

# New & Improved Clubs at Steve's

Our clubs are designed to help you get the most knowledge and information about your sewing machine, embroidery machine, serger, or software. When you buy your equipment from us, you get your first year FREE! If you didn't get your machine from Steve's, all clubs (except Embroidery Club) are \$15.00 each month. Kit fees, if applicable, are extra. Pay for the entire year and get 10% off! We are transitioning to a "team-teaching" set-up for most of our clubs. You will now receive expert instruction from 2 of our wonderful teachers in Bernina, Baby Lock, Janome, Embroidery & Embellisher Clubs! Haven't attended our clubs in awhile? Come back and join us this Fall, you will be glad you did. We welcome you to our clubs, whether you bought your machine from us or not!

Don't forget your "Show & Share" for all clubs!
