

## **Open Sewing with Pamela – Sewing/Alterations/Fitting**

Here is your chance to work on a project of your choosing with Pamela's expert help! Work on garment repair, fitting, alterations, and sewing techniques. You can also finish a project that needs help, and even "recycle and revamp" those consignment shop bargains! Bring several items to work on and be prepared to learn much more from the variety of projects going on during class! This is open studio learning at its best!

Bring at least three to four items to work on, along with any supplies needed to complete the job. If you have taken the Palmer/Pletsch Fitting course, you are welcome to work on pattern fitting.

Also bring your sewing machine and basic supplies. We will have sergers set up if you need them.

*See You in Class!*
